NEW RELEASES

PRETTY GREEN Pretty Green — LP NTL30014, CASS NTLC30014

A combination of Dobros, Mandolins, Bass, Bike Frames and Guitar lead to an album that covers much ground from Rock to Folk to Country. A myriad of odd sounds from a rather odd Torontonian.

THE TEAR GARDEN Tired Eyes, Slowly Burning — LP NTL30019, CASS NTLC30019, CD NTCD-34

A full length studio project by cevin Key (Skinny Puppy) and Edward Ka-Spel (Legendary Pink Dots). Covers the left side of the electronic spectrum. CD format includes earlier mini-lp as a bonus.

SPK Digitalis Ambigua, Gold and Poison — LP NTL30017, CASS NTLC30017, CD NTCD-35

A new full length effort from this Australian duo that captures both their dance and ambient styles

SEVERED HEADS Hot With Fleas / Canine 12" Single — NT12-3011

Extended dance mix of 'Hot With Fleas', with the album version and an alternative mix of 'Canine'.

CHRIS & COSEY Exotika — CD NTCD-32

Contains extended mixes of 'Arcade and Vengence' along with a bonus track 'Irama'.

SKINNY PUPPY Cleanse Fold and Manipulate — CD NTCD46922

I thought you might find these interesting ... at least you can have some idea of recent releases and of bands on these labels.
